Making Peace with Prickly People

Deb Potts has been researching prickly personalities ever since she discovered that God could love her, prickles and all. Based on her book, *Making Peace with Prickly People*.

Your audiences will be equipped to transform their relationships by growing in their love of God, self, and others.

This topic can be presented as a one hour devotional, a three or five session retreat, or a Christmas devotional (Prickly People in the Christmas Story). A free Bible study, Prickly Person Prayer Calendar, Personality Assessment and more are available as follow up activities. Visit website for more details.

G.O.A.L.S.: God's Objectives Applied to Life's Situations

"I'm very sorry to have to tell you this, but you are never going to be successful." The business coach's words stunned Deb. Most goals programs are designed to achieve the world's standards, not God's standards. God designed each of us uniquely for a special purpose. But how do we discover and accomplish that purpose?

G.O.A.L.S. will equip and encourage your audiences to set and achieve goals according to His standards and their individual personalities.

This topic can be presented as a one hour devotional, a two hour workshop, or a 3 or 5 session retreat. For more details, and a free eBook on this topic, visit our website.

"Her hunger for God is evident to all, and her life inspires others to want to walk with Jesus. Her character is exemplary. She really does remind me of the Proverbs 31 woman."

Kim Quist, Mt. Hope Congregational Church, Livonia, MI

"Deb Potts is a dynamic speaker who passionately shares God's truths. Deb's presentation was entertaining, instructional and engaging. She made us laugh, and she brought us to tears. I highly recommend contacting Deb regarding sharing her insights into loving and serving the Prickly People. She confidently mingled with the hundred plus women in attendance. I hope you will consider allowing Deb, a passionate sister in Christ, to bless your group through her truth filled teachings."

Kathy Dork, St. John Lutheran Church, Rochester, MI

"What an awesome day! Deb was a joyful, fun person to be around. Her love for the Lord and others radiated from her. All evaluations received back from those attending the seminar spoke very highly of her. Deb was a delight to work with, and a very accomplished speaker. Look forward to having her back in the future."
